Answer from Principal report: The Bond meeting on May 7<sup>th</sup> will help align this.

CAC Member Concerns (Please abide by 2-min. rule.) Adam Rappaport

Mike Ayock – 1) Phone usage on his student has crept back up this year – started year well – currently using it more  
2) What about CAC membership – do we want return members or give up seat for others?

Amy Jagers – Can Anderson offer SAT for Sophomores since the PSAT no longer counts for the TSI Completion for the CCMR objective? Answer: It takes budget but it is being considered

Principal's Report Brian Lancaster

- Budget Update

Hard Copy is available at the campus for anyone to see through Kellie Allen in the Anderson High School front office

This is not an official budget, this is what has been proposed and submitted – not available for distribution until it is fully approved by the Board of Trustees approve in May.

Staffing – Admins, Counselors, Teachers (got same allotment). Some positions will no longer exist – library clerks and delta TAs. Anderson will do some trades to align current needs of the school and current staff.

Discretionary Budget – no year to year changes same for 25-26 as 24-25

Programs Budget – Athletics, Fine Arts, AVID, CTE, IB, Speech & Debate. Extra funds can be allocated. We cannot make changes to what has been allocated to the campus. Dance got a boost for new uniforms this year. Soccer (girls & boys) also got a boost for new uniforms.

CCMR Budget – Based on student enrollment in CTE based on prior year - College Career Military Readiness – we use this budget for IB, College & Career, etc programs at Anderson. This budget it kept separate from other budgets.

Overall able to stay mostly the same at Anderson year to year which is good news
