- - Welcome
- - Citizen(s) Communications* (15 min. total – 2-min. time limit)
 - Daphne Hoffacker –the Travis Country voting board is on the ballot with an early voting date of April 18th - May 4th is the official voting day. This vote will elect the committee that does property assessments – please turn out and have a voice. League of Women Voters is a great place for info - <https://lwvaustin.org/#gsc.tab=0>.
- - Approve Feb. 28 Meeting Minutes
 - Approved
- - Student Concerns (Please abide by 2-min. rule.)
 - Henry Dieringer and guest Audrey Request to consider funding for the Debate and Speech team coaches during the budget reviews for next year. Would like to continue having two coaches if possible like they have this year. The debate team is made up of 70-80 students. In past has been a speech coach and a debate coach separately.
- - CAC Member Concerns (Please abide by 2-min. rule.)
 - Continued concern around lack of trash cans around the campus. There are still not any available at the staff parking lot. The front of the school trash can is hard to see. There is a lot of trash on the grounds of school and the street. Idea: Rubbermaid ones let rain get in, maybe ones with tops would be better. Also the area around dumpster needs to be cleaned up.
 - Mr Livingston – art rooms 11 and 13 have had no air circulation for the past 3 weeks. The work order has been put in but have not heard a status on getting it resolved. It is getting hotter and there are not windows to even open in the rooms.
 - Request information on dates that might affect volunteers for fit/homeroom around future testing and eclipse plans - <see Principal's Report Section>
 - Ms Kromer – faculty lounge thank you to the PTSA
