

Tardy Policy

Students who arrive to school more than 10 minutes after class has begun must obtain a permit to enter from the Attendance Office. If the absence is due to an excusable circumstance, the student must present documentation from a physician or other recognized authority explaining the reason for the tardy and giving the time the student should be entering school. The permit to enter should be presented to the teacher upon entering class and kept by the student.

Students are not allowed in the halls during the first or last 10 minutes of any class.
